Catholic Institute of Toulouse
The Catholic Institute of Toulouse (ICT)

is the distant heir of the medieval university founded in 1229. It is an academic centre made up of Faculties, organizations and Colleges. It is a place dedicated to education and research that welcomes people of different social classes, cultures and sensibilities. Devoted to society and the Church, the Catholic Institute of Toulouse proclaims the values that made its renown: open-mindedness, respect for all, attention to the weak, commitment and the will to progress together.

The classes and researches carried out in ICT are based on the Gospel inspired thinking and discernment.

The Catholic Institute of Toulouse welcomes over 3200 students, 550 of which come from foreign countries.

Catholic University of Toulouse welcomes international students within the Program Erasmus+, bilateral cooperation with European and international universities or organizations.

Our strengths:
- Individual follow up
- Professionalization
- Job search advice
- Focused on international exchanges
- Student life and students clubs
- Internal scholarships
- Accommodation

Success rate in 2012-2013 of undergraduate students:
