The French social security registration process for foreign students

Since May 2019, every non-European student have to register at the French Social Security System. You'll have to do that on-line, before or after your arrival in Toulouse: <https://etudiant-etranger.ameli.fr/#/>

You need to anticipate if you do that after your arrival, and prepare the following documents for this on-line registration:

- Proof of registration for the current academic year (Certificate of registration at an accredited institution, or your student card)
- Proof of identity (A valid identity document or passport)
- A Student visa ("visa étudiant")
- A vital record (A long copy of your birth certificate, a birth certificate showing your parents' information, an updated family record book ("livret de famille,") a certificate of marriage, or

any other document issued by a consulate (original birth certificate, individual vital record, etc.) authenticated by a legible stamp.)

- A residency permit ("titre de séjour")
- An official banking information slip ("RIB") in your name (Your "Relevé d'Identité Bancaire" / RIB contains your exact banking information. Your health care reimbursements will be paid directly into your designated account.)

Check out the link below for more information about the procedure: <https://www.ameli.fr/haute-garonne/assure/droits-demarches/europe-international/protection-sociale-laccueil-en-france/french-social-security-registration-process-foreign-students>
