## INTENSIVE FRENCH COURSES

The aim of the **intensive courses** is to develop oral and written expression and comprehension in French through practical situations.

Based on the **action-oriented, learner-centred approach**, our method is aligned with the CEFR levels (A1 to C1). Each activity is designed to encourage authentic, practical use of French in real life.

Our courses are run by a team of **qualified native teachers** who are **experts in FLE**. Their personalised support and dynamic teaching methods guarantee motivating learning adapted to the needs of each student.

## CULTURAL ACTIVITIES

**Cultural activities** provide a lively and relaxed way to practise your French.

You'll **discover the city's landmarks**: the Canal du Midi, the Cité de l'Espace, the Halle de la Machine, Airbus, the Maison de la Violette, the Musée des Abattoirs, and many more.

**Social activities** are regularly organised to encourage exchanges between participants and make French a living language, used in everyday life.

## A PEACEFUL CAMPUS IN THE HEART OF TOULOUSE

Our campus, located in **the historic and lively Carmes district**, welcomes you in a green and serene environment, in old buildings typical of Toulouse architecture.

**Easily accessible** by metro lines A and B and by tram, the Institut offers you an ideal living and learning environment.

We have **everything you need** to make your studies a **success**:

A university library and canteen, and a dynamic, friendly student life

**Toulouse, voted best destination** for 2025 by Lonely Planet, will win you over with its warm atmosphere, rich heritage and vibrant cultural life.
