Accommodation

For one-month stays, we recommend these two types of accommodations.

- **Homestay with a host family** – ideal for a full cultural and linguistic immersion. You'll live with a local family arranged through our partner Actif, allowing you to practise French in everyday life and experience French culture firsthand. Prices start **from 648 € / month**.
- **Student room** at our partner hotel, The Social Hub – perfect if you are looking for a more social and relaxed environment. This modern residence offers comfortable student rooms and shared spaces, including a rooftop pool, creating a vibrant international atmosphere. Price: **960 € / month**.

INTENSIVE FRENCH COURSES

The aim of the **intensive courses** is to develop oral and written expression and comprehension in French through practical situations.

Based on the **action-oriented, learner-centred approach**, our method is aligned with the CEFR levels (A1 to C1). Each activity is designed to encourage authentic, practical use of French in real life.

Our courses are run by a team of **qualified native teachers** who are **experts in FLE**. Their personalised support and dynamic teaching methods guarantee motivating learning adapted to the needs of each student.

CULTURAL ACTIVITIES

Cultural activities provide a lively and relaxed way to practise your French.

You'll **discover the city's landmarks**: the Canal du Midi, the Cité de l'Espace, the Halle de la Machine, Airbus, the Maison de la Violette, the Musée des Abattoirs, and many more.

Social activities are regularly organised to encourage exchanges between participants and make French a living language, used in everyday life.

LIVE AND STUDY IN THE HEART OF TOULOUSE

Our campus, **located in the historic and lively Carmes district**, welcomes you to a green and serene environment, set in old buildings typical of Toulouse architecture.

Easily accessible by metro lines A and B and by tram, the Institute offers an ideal living and learning environment.

We have everything you need to make your studies a success: a **university library** and **cafeteria**, as well as a dynamic and friendly student life.

To make your stay even easier, **several accommodation options are available**: student residences, aparthotels or host families, with rates starting from **€656 per month**.

Toulouse, voted **Best Destination for 2025** by Lonely Planet, will win you over with its warm atmosphere, rich heritage and vibrant cultural life.
